Saturday, March 5

3 pm and 5 pm

Hagop Kevorkian Center

Brown University

Monday, March 7, 7-9 pm

SPEAKER PRESENTATION

Zochrot is an NGO that promotes acknowledgement and accountability for the ongoing injustices of the Nakba that began with more than 750,000 Palestinians expelled and 601 localities destroyed. Zochrot promotes the reconceptualization of the **R**eturn of refugees as the imperative redress and a chance for a better life for all the country's inhabitants.
